dual sealing

# GEMINI SKIRT, WHAT IS IT ?

A revolutionary skirt that maximizes  
your productivity

## ❖ Dual sealing skirt

The **Gemini Skirt** offers a two-part seal adjustable in relation to each other :

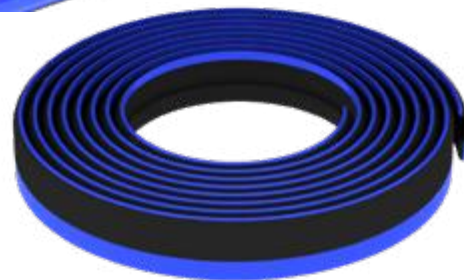

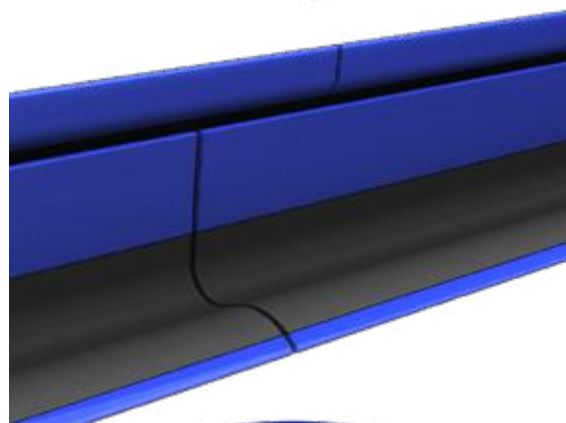

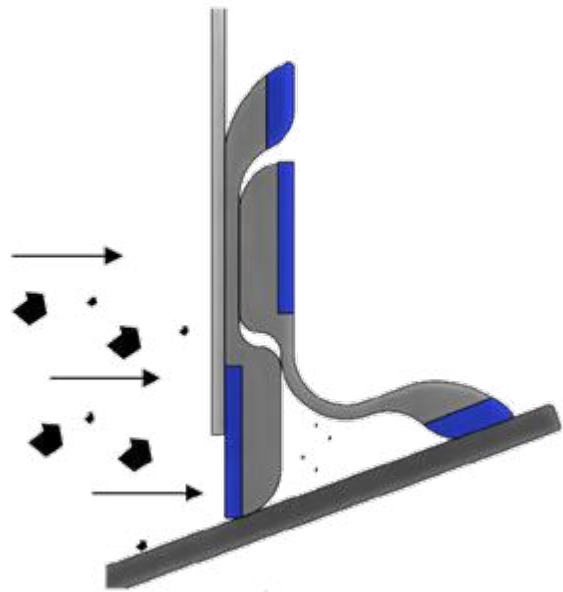

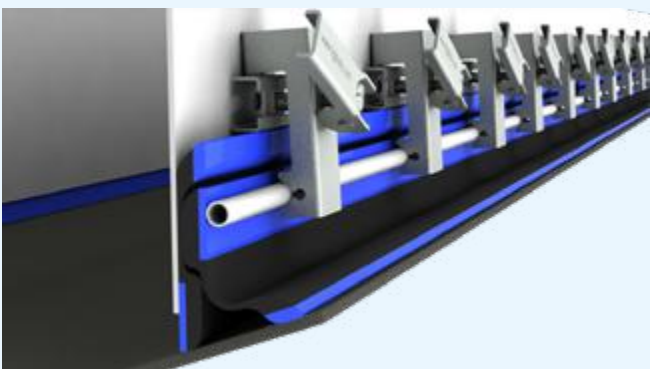

- The reinforced main body stops the majority of particles sizes
- The additional flexible lip prevents the finest powders from escaping
- Two-part adjustable skirt
- 180° Symmetrical design for a double lifetime
- Interlocking assembly possible

The set is used as a classic skirt.

Characteristics :

- Spool of 20m
- Rubber + Anti-abrasion Polyurethane
- High-strength hot Moulding
- Wide range of use

## ❖ Combined use BigBen 3
